# 1 Introduction

The Special Partnership Trust (the Trust) is required, as an employer, to outline how it intends to use its discretionary powers when dealing with decisions it may have to make regarding Local Government Pension Scheme (LGPS) matters. The Trust subscribes to Cornwall Council Pension Fund and Devon County Council Pension Fund and adopts the latest recommended statement from the respective LGPSs.

The Local Government Pension Scheme (“LGPS”) in England and Wales was amended with effect from 1 April 2014. The provisions of the amended LGPS are now contained in the 2013 Regulations (Statutory Instruments 2013 No. 2356), the 2014 Regulations and the 2018 Regulations (amendments). This policy statement relates to the exercise of the employer discretions contained in the above regulations, therefore whilst it represents the views of the respective LGPS funds it should not be treated as a complete and authoritative statement of the law. The Trust may or will seek to take its own legal advice on the interpretation of any particular regulation(s).

To ensure value for money and financial stability, the Trust has adopted an approach which is relevant to the size, finances and current staffing levels. In addition, decisions regarding the discretionary powers have been taken to ensure the affordability of the scheme to all members. The statements outlined in this policy must not limit or bind how the Trust uses the discretions afforded by the scheme(s).

All requests to the Trust for the consideration of the application of discretions should be made in writing, with supporting documentation, to the Chief Finance Officer.

The Special Partnership Trust is committed to equality and this policy has been created in accordance with the Equality Act 2010 and with regard to age regulations.

## 2 Key Roles and Responsibilities

- The Trust Board has overall responsibility for the implementation and monitoring of the LGPS Discretionary Policy.
- The Trust Board has responsibility for ensuring that the LGPS Discretionary Policy, as written, does not discriminate in relation to protected characteristics.
- The Trust Board has overall responsibility for handling complaints regarding this policy.
- In the first instance, complaints should be directed to the Chief Finance Officer (CFO).
- The CFO has responsibility for the day-to-day implementation and management of the LGPS Discretionary Policy.
- This policy will be used with regard to all relevant factors and costs to the Trust will be balanced against the benefits.
- This policy will only be used where there is a real and substantial benefit to the Trust in return for incurring extra costs.
- This policy will only be used having considered the information from the scheme actuary.
- In support of its deliberations regarding requests made on compassionate grounds, the Trust will take into account all relevant factors and require whatever information, documentation and supporting evidence it considers appropriate.
- Where appropriate and where there are economic benefits to the Trust, discretions may be considered as part of severance stipends.
